

**PRESCRIBING INFORMATION**

**SULFACET-R<sup>®</sup>**

(Sulfacetamide Sodium—Sulfur)

Acne Therapy

Valeant Canada LP  
4787 Levy St.  
Montreal, QC  
H4R 2P9

Date of Revision:  
February 13, 2012

Submission Control No.: 153350

**Indications**

Severe acne vulgaris, seborrheic dermatitis, bacterial folliculitis and related conditions.

**Contraindications**

Hypersensitivity to the sulfonamides as indicated by a previous toxic reaction to them (e.g. agranulocytosis, acute hemolytic anemia, purpura hemorrhagica, drug fever, jaundice, or contact dermatitis).

**Precautions**

Sulfur may cause reddening and scaling of the epidermis, but if undue skin irritation develops or increases, discontinue use and consult a physician. Keep away from eyes.

**Dosage**

For external use only. Keep away from eyes. Shake lotion well. Apply a small quantity with fingertips 2 or 3 times daily.

**Supplied**

Each mL of lotion contains: Sodium sulfacetamide 10% w/v, colloidal sulfur 5% w/v. Nonmedicinal ingredients: 2-bromo-2-nitropropane-1,3-diol (Bronopol), attapulgate, butylparaben, diethanolamine, hydroxyethyl cellulose, iron oxides, lauric myristic, methylparaben, naphthalene sulfonic acid, polyethylene glycol monolaurate, precipitated sulfur, propylene glycol, purified water, silicone emulsion, sodium chloride, sodium metabisulfite, talc, xanthan gum and zinc oxide. Bottles of 25 g.
