OceanBlu™

Glycolic Acid Teat Solution

Post-Milking Antiseptic Teat Dip

DIN: xxxxxxxx

WARNINGS: No meat withdrawal period or milk withholding time is required when used according to the label. This product can cause eye, skin and respiratory irritation. When handling, avoid inhalation, oral exposure and direct contact with eyes and skin. Use personal protective equipment. Wash hands thoroughly after handling. Avoid contact with food. May be harmful if swallowed. Do not use for cleaning or sanitizing milking equipment. Do not mix with any other chemical product. Keep out of reach of children.

Side Panel:

INDICATIONS:

OceanBlu is a post-milking antiseptic teat dip with emollient that aids in reducing the spread of organisms which may cause mastitis in dairy cattle. If used regularly as directed, it will help control mastitis by reducing the bacterial count on the cow's teat.

ACTIVE INGREDIENTS :

Glycolic acid, 3.0% w/w

DOSAGE AND ADMINISTRATION:

Use OceanBlu at full strength. Do not dilute.

Thoroughly clean and sanitize teat dip cup before use.

Use fresh solution for each milking. Dip solution should be changed if it becomes visibly dirty, or if sediment is introduced. Do not pour used teat dip back into original container.

Discard any teat dip that becomes contaminated for any reason.

Post-Milking Dipping

Immediately after removing inflations, dip teats with OceanBlu. Ensure that the solution thoroughly covers the entire surface of all teats

Do not wipe.

Allow teats to dry.

If outside temperature is below 0 °C, allow dip to air dry on the teats before turning cows out to cold weather to prevent freezing.

CAUTIONS:

For external use only. If cow's teats are sore, irritated or chapped, consult a veterinarian before starting or continuing to use OceanBlu. Consult milking equipment service personnel as required.

STORAGE:

Store at 15 - 30°C. Avoid freezing. Freezing will not affect performance of the product provided that the frozen contents are thawed completely and mixed thoroughly before using.

Net contents: 20 L/60 L/208 L/1000 L
